P.O. Box 1692
Poughkeepsie, NY 12601-0692

Dear PMI Hudson Valley Chapter:

Thank you for your generous gift to the Members Disaster Relief (MDRI) organization.

Our organization's purpose is to provide humanitarian assistance to Project Management Institute (PMI) members in the United States in connection with catastrophic losses following natural or man-made disasters.

Our mission is to provide disaster relief services to PMI members.

Donations such as yours make it possible for MDRI to help PMI members and components in need. We also provide disaster assistance consulting to PMI components outside the United States to assist in educating and informing them on how they also can assist their members and communities.

Again, thank you for your generous gift. It will make a difference.
